ELITE2000 AND ELITEGOLD

ELITE2000 and ELITEGold are our most advanced video messaging products. Reach out to your audience with real estate listings, community info channels, hospitality service information, campus event updates, cable/internet service promotions, weather forecasts, and much more. Ideal for schools, care facilities, hotels, and local cable companies, our ELITE line of display systems provides you with the versatility and customizability to meet your every need; large or small.

- 1 **WEBPAGE DISPLAY** - Display internet-based content, including weather and Flash animations.
- 2 **SPLIT REGION SCHEDULE** - Run separate schedules on different zones of the screen.
- 3 **AUDIO/VIDEO PLAYBACK** - Grab the attention of viewers by including video and audio in your pages.
- IMPORT YOUR OWN GRAPHICS** - Use your own graphic images.
- 4 **INTERNET WEATHER** - Automatically retrieve local weather information.
- REMOTE ADMINISTRATION** - Control and update schedules remotely using a simple and intuitive drag & drop interface.
- 5 **LINEUP TV LISTINGS** - Integrate our award-winning scrolling TV listings guide for an additional fee.
- 6 **INTERRUPTION SCHEDULE** - Schedule breaks in your tv listings or other programming to display fullscreen video.
