...because people are watching

VIP REMOTE MEDIA PLAYER

The VIP is a versatile remote media player. Allowing for the creation of a full-fledged channel on your local cable system, the VIP is a robust and reliable piece of technology. Users are able to log in remotely, enabling one or more administrators to manage multiple units from anywhere in the world. Designed for compatibility and ease of use, the VIP accepts most video file types and is ready to use right out of the box!

HIGHLIGHT YOUR COMMUNITY

DID YOU KNOW?

Display Systems International was established in 1983 and since then has become a trusted name with clients across the world. Reaching more than 2.5 million viewers every day, DSI is now the third largest provider of scrolling TV listings guides in North America.

CUSTOMER SATISFACTION

"I always recommend the purchase of DSI because of the ease of use of their product, its reliability, quality, and flexibility; and the fact that they provide outstanding support."
